Learn how the RCN and our Nursing Workforce Standards can help keep you, your colleagues and your patients safer at work.

The day will incorporate our branch AGM, so you can help ratify your local RCN reps for another year, and elect next year's branch executive committee, or stand for a position on it. We're looking for a president, a chair, a vice chair, a secretary, a treasurer, and one other executive member. Submit your nomination by 23 September.
