RCN study day and branch AGM: Bridging the gap between all health care settings

Wiltshire Branch, 18 October, 9:00am-4:00pm
Salisbury Rugby Club, Castle Road, Salisbury, SP1 3AB.

Top up your knowledge on safeguarding, falls, delirium, the role of the RCN Council member, and more, while participating in the democratic process of electing the next branch committee and ratifying your local RCN reps. We have branch executive committee (and Council) vacancies so if you're interested go for it. Feel free to nominate yourself to join our exec team and see where it takes you.

Check out our programme and book via the QR code or URLs below. We will provide lunch, refreshments and certificates.
