## **RCN Plymouth Branch online meeting**

**Tuesday 18 February 6 pm - 7.30 pm**

**Talk topic: homelessness, alcohol and drug addiction service Shekinah**

The new branch team are really keen to meet you and share our plan for the year. But more importantly, this is your opportunity to have your say on the activities and learning events that your branch undertakes and to make your voice heard on the topics that concern you and the RCN's work. Please do get involved if you can.

This month we will be joined by Karl from Shekinah to share some of the support available to people who have experienced or are experiencing homelessness, or drug and alcohol addiction. Shekinah supports people to build positive lives and futures. Hear more about this essential service, which could be somewhere to refer patients to. Book via the URLs or QR code below to receive the joining link.
