**CONSULTATION PRO-FORMA**

Page/section number	Comment
Page 1, section 1.0	We welcome the All Wales protocol to allow a consistent approach to dose tapering of biologic disease-modifying anti-rheumatic drugs in low disease activity rheumatology patients where appropriate.
Page 1, section 2.0	The Rheumatology service is strongly in agreement with the consultation and the intention is to implement.  Discussions are ongoing internally regarding the required resource/service changes for implementation.
