Prince of Wales Nursing Cadet Scheme

# Prince of Wales Nursing Cadet Scheme

Develop your life skills, grow in confidence and learn about careers in nursing and health care.

The RCN Prince of Wales Nursing Cadet Scheme gives young people (16-25 year olds) an introduction to careers in nursing and health and social care, through learning modules and a clinical observational placement.

New to  
Northern  
Ireland

The scheme runs alongside educational college activities, and this pilot is open to students enrolled at Southern Regional College academic year 2023/24.

## When?

<b>Saturday 27/4/24</b>	In person, at the Northern Ireland Ambulance Service HQ, Belfast

## Why?

- **Gain practical skills** including hands on basic life support, manual handling training and de-escalation skills, whilst also learning about developing your own wellbeing and resilience.
- **Enhance your CV** with 20 hours of observational clinical experience and gain insight into health care roles.
- **Develop career awareness** for nursing and health care and prepare for further study/apprenticeship.
